INDULGE IN LUXURY EXUDE HIGH STYLE

As you may know, my team and I love to rummage around at art and antiques markets around the world. During a trip through France a while ago, a beautiful classic chaise longue caught our attention. Inspired by that alluring piece we designed our very first outdoor furniture collection (see pages 74-79).

Including our outdoor furniture collection you will find more than 350 brand new items in this magazine. Among my personal favourites are the Bristol Dining Chairs (see page 36), the Napa Valley Series (see pages 64-65), and the Trisara Wall Objects (see pages 44-45).

This magazine is a special addition to the Eichholtz Collection Books, which present our essential assortment of lighting, furniture and home accessories. For an overview of our entire collection, including our latest arrivals, visit www.eichholtz.com.

All our luxury interior pieces are created to improve life, both aesthetically and experientially. In everything we design and develop, human needs for comfort, security, privacy and aesthetic satisfaction are carefully considered.

Personalise your home with our furniture, lighting and accessories. Whether you prefer lavishness or simplicity, I am sure you will find one or more items of your liking among our latest arrivals. All products are immediately available from stock, so you can order right away.

WELCOME TO OUR GRAND SHOWROOM

View our extensive collection

In our Grand Showroom we welcome our customers and guests in the luxurious Eichholtz ambience. With more than forty fully decorated style rooms we are a one-stop-shop for interior, décor and atmosphere.

Inspired by travels around the globe

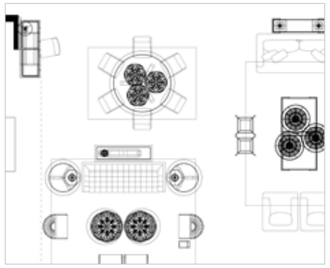
Inspired by their travels around the globe, Theo Eichholtz and his team are known for translating the specific charm of the places they visit into appealing interior schemes and alluring ambiences. Together with his designers, Theo creates furniture collections that capture the classic chic of French residences, the rustic romance of Canadian mountain houses, the refined oriental splendour of ancient Asian palaces and the sumptuous glamour of Hollywood mansions. The Eichholtz collection offers you a variety of styles with influences from all corners of the world.

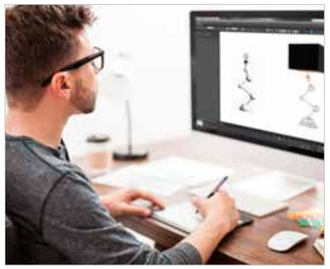
Crafted by skilled artisans

The majority of our furniture pieces, lighting and accessories are designed in-house. What we design in the Netherlands is manufactured in Asia and Eastern Europe, partly by factory production and partly by hand. Many of our accessories and accent pieces are crafted by skilled artisans, such as glassblowers and blacksmiths.

INTERIOR DESIGN

When it comes to planning a new project, the choices can be overwhelming. We have the knowledge, experience and resources to guide you through the process and set your project up for success. We love to translate your wishes into a customised solution and gladly advise you in the finishes, fixtures and details that will pull it all together.





Detailed floor plan

To be able to design the furniture layout, wiring systems, lighting schemes and so on, we create a detailed floor plan for your project. By generating a nice flow between rooms, hallways et cetera, a good floor plan increases the enjoyment of the total space.

Colour scheme and wall finishings

Walls form the foundation of any interior scheme and impart a finished look. They can also dramatically transform a space, lending sleek sophistication or historical reference. Therefore we pay special attention to the colour scheme and wall finishings: from stunning fabric coverings and classic wood paneling to fine plaster siding and high quality paintwork.

3D visuals of the desired result

Our styling team and 3D designers are more than willing to transform your interior design projects into 3D visuals to give a realistic 360° preview of the desired result.

In addition we have created an Inspiration Book to give you an idea of the endless styling possibilities.
